

## CITY REPUBLICANS ENDORSE HARDING

### FAVOR OHIOAN FOR PRESIDENTIAL HONOR OR SENATORIAL POST

**Senior United States Senator is Pledged Support by G. O. P. Central Committee in East Liverpool—Endorsement of Marion Man by County Organization Predicted.**

The East Liverpool Republican Central committee has endorsed United States Senator Warren G. Harding for the Republican nomination for the presidency. It was formally announced Friday by Attorney Ben L. Bennett, chairman of the committee.

Resolutions urging Senator Harding's entry into the presidential field and his candidacy for re-election to the U. S. senate in the event he seeks the toga have been forwarded to State Chairman George Clark at Columbus.

The Columbiana County Republican Central committee will also endorse Senator Harding's candidacy for president, it was predicted. Letters seeking a consensus of opinion among committee members throughout the county are to be sent out at once from the office of Secretary Ben L. Bennett.

The Southern Columbiana County Bar Association has already endorsed Senator Harding for the presidency.

### SOLICITOR THOMPSON CARRIES DAWSON CASE TO HIGH COURT

Action seeking a reversal of the decision of the court of appeals holding East Liverpool's dry enforcement ordinance invalid was begun in the Ohio supreme court Friday, when City Solicitor R. G. Thompson filed a petition in error in the Allen Dawson case.

In a written decision in the case received by City Solicitor Thompson a short time ago, the court of appeals held that the city ordinance which prohibits the keeping or use of intoxicating beverages is invalid because

it does not contain the wording, "except for mechanical, pharmaceutical or sacramental purposes."

The common pleas court at Lisbon had previously sustained the finding of Mayor J. S. Wilson who had fined Dawson \$200 for violation of the ordinance. Dawson was arrested in a raid on his alleged soft drink establishment in Diamond alley, arraigned before Mayor Wilson and fined the maximum penalty under the city measure.

### MURDER THEORY REPLACES THAT OF SUICIDE IN GIRL'S DEATH

LOUISVILLE, Ky., Dec. 26.—Following an all-night investigation by detectives, the theory of murder today replaced that of suicide in the case of Miss Elizabeth Ford Griffith, 17-year-old fiancée of Captain George K. Jordan, seventh Michigan F. A. first division, who was found with a bullet through her heart in the office of Dr. S. G. Schott, late yesterday.

Miss Griffith was employed in Dr. Schott's office and according to the detectives, was formerly engaged to him. Dr. Schott found the body, still warm, when he says he returned to his office after distributing Christmas presents. An army revolver was found by the body and was later identified as the property of Dr. Schott. Detectives say the range of the bullet indicated that it would have been impossible for the girl to have shot herself.

### POTTERS SOON TO CAST VOTE

**To Nominate Officers, Members of Three Committees and Delegate.**

Nomination blanks for the annual nomination of committees and delegates of the National Brotherhood of Operative Potters are being sent out by Secretary-Treasurer John T. Wood to all local unions of the trade.

Nominations will be open for places on the executive board, the eastern and western general war and sanitary standing committees, and delegates to the American Federation of Labor convention.

Under provisions of the election laws, local unions will make their nominations at the second regular meetings in January. The primary election will be held the first meeting in March and the general election on the first meeting night in June.

### THREATEN TO PREFER CHARGES AGAINST COP

NEW YORK, Dec. 26.—Charges may be preferred against the policeman who yesterday arrested three women and two men who took part in the Christmas day "Amnesty" parade up Fifth avenue. Miss Gladys Greiner, wealthy suffrage worker, announced that she would prefer charges against the policeman who arrested her as she declared she and her fellow paraders were right in their "demonstration for the right of free speech and free assembly."

Miss Greiner and the other four defendants were arraigned today on charges of disorderly conduct and held under bail of \$500 each for hearing Friday. The others arrested were Miss Mary Duffy of Baltimore, Dr. Gertrude Kelly, prominent woman doctor, and Samuel and Julius Freedman.

### RAILROAD MEN PLAN TO PRESS DEMANDS FOR WAGE RAISES

**Expect to Act Before Roads Are Returned to Private Owners.**

### CALL MEET OF CHIEFS.

**Threat of Strike of 600,000 Railroaders Is Made.**

WASHINGTON, Dec. 26.—Railroad employees will press their demands for increased wages before the railroads are returned to their private owners.

It was announced today that the chiefs of the four railroad brotherhoods have been called to Washington to meet tomorrow or Sunday with the heads of the railroad unions affiliated with the American Federation of Labor. At this conference it is expected that some action will be taken to force wage increases before the roads are returned March 1.

CLEVELAND, Dec. 26.—"It's all news to me," said Warren S. Stone, grand chief of the Brotherhood of Locomotive Engineers, today when told of a report from Washington that the railroad men will press their wage demands before the roads are returned to private ownership.

"I have not been advised of any meeting in Washington and have no present plans for going there to discuss such action."

ALBUQUERQUE, N. M., Dec. 26.—A direct threat that 600,000 railroad union workers, members of six railway shop trades, will go on strike if congress includes an anti-strike clause in legislation providing for the return of the railroads to private ownership on March 1, is made here by W. S. Patterson, secretary-treasurer of the International Machinists' union of the Santa Fe railway. Patterson says that while he has no authority to call a strike, he represents "fully the sentiment of the men."

Patterson's statement follows: "Six shop crafts, representing about 600,000 men, have voted to strike if congress enacts a railroad law containing an anti-strike clause. While I am not speaking for other railroad unions, it is known that several in addition to the shop organizations have taken similar actions."

"The executive committee of the six shop crafts are empowered to call a

### LABOR CLAUSE IN BILL HIT

**House Approves Anti-Strike Feature of Cummins Bill.**

WASHINGTON, Dec. 26.—Conferees working on the Cummins' and each bills for the return of the railroads today stated that their biggest difficulty will be found in the labor provisions of the bill. The anti-strike provisions of the Cummins bill, making strikes unlawful, is not agreeable to the house, and the senate conferees are agreed to stand firmly for the Cummins' bill provisions.

Senator Lenroot of Wisconsin has offered a compromise measure, which may aid in solving the problem. Under the terms of Senator Lenroot's proposal any railroad employees who failed to abide by the decisions of the wage adjustment board would be subjected to a blacklist and would be forbidden employment on any railroad for a period of four months.

Proposals have been made for changes in the personnel of the wage adjustment board, provided by the Cummins' bill. It is proposed to change the composition of this board to insure that neither employers or employees have the balance of power, but that the majority of persons on the board should be chosen as representatives of the public.

## UNCLE SAM TO GIVE ENGLAND SEVEN SHIPS

**German Vessels Allotted to Washington on Food Exchange Basis Will Go to Great Britain—U. S. to Get Tankers.**

WASHINGTON, Dec. 26.—Seven German ships allocated to the United States on a food exchange basis by the inter-allied council will be given to Great Britain as soon the proper person is designated to receive them, the shipping board announced today.

The ships are now in New York harbor and Great Britain made a claim for possession of the vessels, but they have been held during controversy with Great Britain over possession of American-owned oil tankers taken from Germany.

John Barton Payne, chairman of the shipping board, today sent a letter to the secretary of state, announcing the decision of the board to turn the ships over to Great Britain.

Chairman Payne's letter was as follows:

"Dear Mr. Secretary: 'I am directed by the president to comply with the request contained in your letter transmitted to me this day from the White house and to advise you that the seven ex-German ships, to wit: The Graf Waldersee, Zeppelin, Pretoria, Cap Finisterre, Mobile, Prinz Friedrich Wilhelm and the Kaiserin Victoria, now in the harbor of New York, will be delivered to the representative of Great Britain as soon as the proper person is designated to receive the same.'

"Very truly yours,  
John Barton Payne,  
Chairman of the U. S. Shipping Board."

It is believed here that this action will bring a settlement of the controversy over the American-owned tankers taken by Great Britain from Germany which will result in the return of the tankers to the United States.

### BRAVE GALE TO SAVE SICK MAN'S LIFE.

NEW YORK, Dec. 26.—The story of the transfer of a desperately sick man from a freighter to the American transport President Grant, during a terrific gale at sea and in the darkness just before dawn was brought to port by the President Grant today.

The transport, which was battered by heavy seas all the way across, brought 651 soldiers from Brest and the sick man. He is Ignace Manoun, one of the engineers on the freighter West Hadley.

### URGE NOT TO SIGN McNARY SUGAR BILL

WASHINGTON, Dec. 26.—Members of the United States sugar equalization board have requested President Wilson to withhold temporarily his signature to the McNary bill extending government control of sugar, it was announced at the White house today.

The members of the board have requested that they be given an opportunity to voice their views on the bill to the president before he gives his approval.

### FEW ARRESTS ON CHRISTMAS

**But Three Alleged Violators Jailed Here On Thursday.**

In contrast to Christmas day a year ago when eighteen violators fell into police disfavor, only three arrests were made Thursday by the police here.

Second street, once the center of lawlessness in East Liverpool, again burst into the limelight Christmas day. The three lonesome arrests of the holiday were made on that erstwhile famous thoroughfare.

Patrolman James Haley scored first blood, arresting William Longstreath shortly after 3 o'clock on a charge of being drunk and disorderly. Charles Donahue, this city, was the second to fall into the police net. He was picked up at 7:45 on Second street by Patrolman C. D. Hissam. Hissam tallied a second time when he took William Murray into custody 15 minutes later. Murray is charged with furnishing liquor. All three will be arraigned before Mayor J. S. Wilson at 8 p. m. Friday.

Despite record shopping activities, no loss of merchandise or money by theft has been reported to the police. A valuable lavalliere is missing from the McKinney jewelry store, Market street, however, while the Ryan Brothers' confectionery, St. Clair avenue, are said to have lost a costly sycerthum pipe.

### CLAIM BOY CONFESSED FIRING FATHER'S BARN

CANTON, Dec. 26.—Alva Adams, aged 14, held in the county jail here, has confessed to the burning of the barn of his father, G. W. Adams, of Paris township, and that of a neighbor, according to the statement of the deputy fire marshal who brought the boy from New Philadelphia yesterday. The boy says he burned his father's barn so the latter would move to New Philadelphia where the son was working. He gives no reason for burning the neighbor's barn.

### WINTER RELIEF NEEDS GREATER THAN IN PAST

**Salvation Army Reports Fund For Poor Now Totals \$1,250.**

### MITE BOXES ARE OUT.

**Distribute 103 Christmas Baskets—Elks Santa to Children.**

The winter philanthropies of the Salvation Army among the needy families of East Liverpool and adjacent localities will assume larger proportions this year than ever before in the history of the organization, Adjutant J. H. Abrams, head of the corps, declared Friday.

The Winter Relief fund, raised through the efforts of the Salvation Army officers, a special committee from the Elks and through the columns of The Review has reached the record figure of more than \$1,250, Adjutant Abrams reported. This total will be slightly increased when a few of the "mite" boxes still remaining in downtown stores are collected.

One hundred and three Christmas baskets, containing bountiful family dinners, were distributed from the Salvation Army citadel Christmas morning. The citadel hall was thrown open at 10 o'clock when a short song service was held. The baskets were later distributed in exchange for coupons given to worthy families by the corps officers following an investigation a few weeks ago.

East Liverpool lodge, No. 258, B. P. O. Elks, played Santa Claus to more than 600 children Christmas morning. The kiddies were guests of G. L. McCintock at the Columbia theater at 9 o'clock after which they went to the Elks' temple for an armful of gifts.

### SILENT ON REPORT OF STRIKE BREAK

CLEVELAND, Dec. 26.—Leaders of the steel strike in Cleveland this afternoon refused to confirm or deny a report that a big break is imminent in the strikers' ranks here.

The report became current after a joint mass meeting of four of the locals involved in the strike was called for tonight. Some of the individual members of the union declared that at this meeting the men would vote to return to work. Their leaders, while admitting the possibility that the men might take a vote on the question, insisted that they would decide to remain out.

### WILL SEND TROOPS TO CURB RIOTING

OLYMPIA, Wash., Dec. 26.—Troops will be sent to the Wilkinson mines to prevent fighting there between union and non-union men, it was announced today. The governor said federal and state troops will be sent. A delay will be necessary, he said, due to the fact that the federal troops have to be requested of Lieut-General Hunter Liggett at San Francisco, western department commander. The governor added that he would not send the troops if the deputies of Pierce county are able to check the fighting.

The request for troops was made by John J. Hewitt, treasurer of the Wilkinson Coal and Coke Company.

### TWO MIDLAND MEN FIGHTING POISON 'KICK' USED IN DRINK

**Seven Men Dead and Two Ill In Hartford, Conn.**

### FIVE OTHER VICTIMS

**Thomas O'Connor and John Dailey Affected at Midland Party.**

The use of wood alcohol to put a "kick" in beverages served on Christmas day caused at least seven deaths, while nine persons, including two in the East Liverpool hospital, are fighting the effects of the poison today. Eight men are dead at Hartford, Conn. Two others are in a critical condition. Five men were victims of the use of the deadly concoction at Cleveland.

Victims of a Christmas celebration at a construction camp in Midland, Pa., Thursday night, Thomas O'Connor, aged 23, and John Dailey, aged 50, laborers, are in a serious condition at the City hospital from the effects of a home-brewed wood alcohol beverage imbibed during the festivities.

More than 50 laborers at the Midland camp participated in the celebration, one of the poison victims told hospital attendants Friday. A concoction in which the deadly wood alcohol evidently was the principal ingredient, was served during the celebration.

Dailey and O'Connor were stricken suddenly ill during the evening and were brought to this city in the Shepherd ambulance of Midland. Drs. R. J. Marshall and Frank Harrison were summoned. Through a misunderstanding, the pulmotor at Central fire station was rushed to meet the ambulance.

The condition of the two men was reported slightly improved Friday.

HARTFORD, Conn., Dec. 26.—The number of deaths as a result of drinking colored wood alcohol, colored to assume the guise of whiskey, was increased to eight today, according to reports to the police. Two others are reported to be in a serious condition.

The police arrested Frank Ross, a saloon keeper, from whose place the police charged the stuff was obtained. Three others are also in custody charged with responsibility for the distribution of the poisonous liquor. They are Saul Joseph, Jacob Bronerwien and Nathan Salzberg. All were held in police court today on

### BOY COASTER IS BADLY HURT

**Condition of Clarence Bucher, Aged 12, Reported Serious.**

Believed to be internally injured, Clarence Bucher, aged 12, son of Mrs. John Bucher, Shadyside avenue, is in a serious condition at the City hospital following a head-on collision with an automobile driven by Dr. J. W. Chetwynd while coasting down Lisbon street shortly after 2 o'clock Wednesday afternoon.

Dr. Chetwynd's machine was crossing the Pleasant Heights street car tracks at the intersection of Lisbon street and Sheridan avenue when young Bucher swerved round the band, crashing into the front wheel of the automobile. Inability of the lad to extricate one runner of the sled from a car rail caused the crash, Dr. Chetwynd said.

The injured boy was rushed to the City hospital in Dr. Chetwynd's machine. Drs. R. J. Marshall and M. D. McCutcheon performed an operation upon the lad. His condition was reported still serious late Friday afternoon.

# MODIFY ORDER BANNING GAS

## Thirty Bisque Kilns In District Are Lighted On Friday.

Modification of the order curtailing the use of gas for firing pottery kilns came Friday upon the heels of a break in the cold wave which has gripped East Liverpool and vicinity for several days.

More than 30 bisque kilns in potteries in this district were lighted Friday upon instructions from T. H. Stephens, head of the local office of the Manufacturers' Light & Heat company. Other kilns will be fired as the gas pressure increases, Mr. Stephens said.

Arrival of the cold wave a short time ago and the accompanying heavy drain upon the gas supply for this district caused an order curtailing of gas for industrial purposes in order to conserve the supply for domestic use.

A large corps of men is at work laying a pipe line to the McKeesport, Pa. field. Mr. Stephens has been advised. As soon as this new source of gas is tapped, an abundance of the fuel for both industrial and domestic purposes is expected for this vicinity.

strike of their members immediately upon the passage of the anti-strike legislation.

"Under no circumstances will we agree to any compromise looking toward the sacrifice of the rights of our members to strike in case such action becomes necessary."

"This must not be confused with idea advanced some time ago that the railroad men would strike in order to prevent the return of the railroads to their owners, as nothing of the kind is contemplated."

"We are opposing the return of the roads to private control more on account of the effect it will have upon us and the rest of the public as consumers, such action necessitating, so it is claimed, an increase in freight rates and consequent rise in the price of coal."

"In other words, so far as our rights as workers are concerned, if we are going to have to fight we believe our chances for victory would be better with corporate management than would be the case under federal control."

# COUNTY NEWS

## MISS MASKREY AGED 46, DEAD

Miss Mattie S. Clair Maskrey, aged 46 years, died at the home of J. A. Morrison Thursday evening, of spinal meningitis superinduced by tuberculosis. Miss Maskrey was taken ill about ten days before her death.

The deceased was a daughter of Mrs. Morrison by a former marriage. She is survived by her mother, Mrs. J. H. Morrison; a brother, Jesse Maskrey of Lisbon; her stepfather and half brothers and sisters as follows: William of Columbus, Freeman of Sebring and Mrs. Catherine Donnelly of East Palestine.

charges of murder, their cases being continued until tomorrow.

CLEVELAND, Dec. 26.—Five more victims of wood alcohol poisoning—the effects of Christmas libations of illicit spirits—were in the hospitals today.

All are in a serious condition, four being unconscious. Police are making every effort to ascertain whether the men drank wood alcohol seeking a "kick" or if it was contained in alleged whiskey sold by bootleggers.

The five cases of wood alcohol poisoning reported to the police by the hospitals were not the result of a "party" officers said after a preliminary investigation as the victims came from widely separated points.

## To Make Rabbit Pie You Must First Catch the Rabbit

To truthfully talk about the good things a store has to sell, it must first go out into the market and get the goods.

That's why this is a strictly honest advertisement. We have for sale what we have to say.

First, we bought the best O'coats we could find—and we mined in the richest Overcoat veins in America.

Next, we marked them at a fair price, based on cost. We could have asked more, but we think more of your future dealings than of a few extra dollars.

We have played the Overcoat game as square as a brick. When we show you our models and quote you our prices you will be able to tell by the expression on our face and in our fabrics that you are in the right place for a square deal.

AND YOU'LL GET IT.

## FRANK WAGNER BADLY INJURED

Frank Wagner, aged about 24 years, is lying in a serious condition today at the McCullough hospital in Toronto as a result of an accident at the Hartje Paper company there Wednesday. Physicians believe that the injured man will recover.

Wagner, who held the position of screen boy at the Hartje plant, was caught in a swiftly revolving belt and hurled several times around the shafting before the machinery was stopped, it is claimed. Wagner was taking a large load of paper trimmings and broken sheets to an upper floor in the building when the pulley belt which raised the elevator, slipped to the wrong pulley. Wagner, it is claimed, climbed over the guard gate and other protections and attempted to adjust the machinery himself. He threw the belt on the wrong pulley it is said, and the sweater coat he was wearing was caught between the belt and the pulley. He was hurled around the shafting at that point before workmen were able to stop the machinery.

Wagner was taken to the McCullough hospital where Dr. Hobbs, of East Liverpool, and Dr. J. S. McCullough, of Wellsville, rendered medical attention. An examination proved that the man had sustained a broken thigh bone and two other fractures of the left leg, one below and the other above his knee.

The injured man had been employed at the Hartje plant for three weeks.

light bank robberies, was the opinion expressed by Chief of Police Hugo McDermott Friday.

"If every bank in the city would install a 15-inch gong on the outside of their building to be set ringing by any one of a dozen or more buttons concealed inside the banks, the prompt arrival of the police could be assured," Chief McDermott said.

Chief McDermott stated that an automobile could draw up alongside any of East Liverpool's banks, hold up the employees and make a get-away before the police could be summoned. The loud warning of a gong set ringing by the pressure of a bank employee's foot against a floor button while his hands were upstretched would bring all police within hearing to the scene.

## A KNOTTY PROBLEM.

A knotty problem will confront East Liverpool's new councilmanic body, made up of three members of the retiring organization and five new faces, soon after it gets down to business early in January. And that problem is the ways and means of providing funds for the introduction of the two-platoon plan in the fire department.

East Liverpool electors, by an overwhelming majority, sanctioned at the November election the initiative proposal of the firemen for the establishment of the two-shift plan in the fire station, providing for the division of the day into 10-hour and 14-hour turns. And this measure becomes effective in January.

With city finances at a point which demanded strict economy during the past several months, and some sources of revenue cut off, just how the city dads shall solve this proposition is mystifying persons who have seriously studied the problem.

One thing is certain—the two-platoon plan, duly enacted by the electors' permission—will go into effect. And it is equally certain that East Liverpool's councilmen must meet the situation without jeopardizing the city's interests.

Shortage of funds which followed the granting of salary increases to the firemen compelled the enactment of legislation which displaced one fireman and reduced a captain to the ranks on July 1. This situation is not improved today, so the answer seems to be there will be no additions to the personnel of the fire-fighting force. And if not, what?

Judging from observation, the only solution of the question is a division of the fire-fighting force, now claimed to be too small to cope with a serious fire. Under this plan, a certain number of men would be assigned to the 10-hour turn and so many to the 14-hour shift, the firemen, alternating, of course, between the short and long turn. Then in order not to cripple the department, volunteers, as some suggest, would be called upon for duty in the event of a fire, and they would be paid for actual time on the job.

The introduction of the two-platoon plan may force the abandonment of the Northside or East End station, for at best, not more than one man could be on duty at any time in either place, and one man would be handicapped in responding to an alarm. And this man, it is pointed out, could fill a vacant place in the Central station force which must answer practically all calls.

Irrespective of how the matter is settled, the new council should lose no time in determining the proper answer to the question.

## SHALL PEOPLE "BUY NOW?"

Attorney-General Palmer declares that, instead of a "buy now" propaganda, there ought to be a campaign against buying now, because this movement "is partly responsible for the high prices."

What is the puzzled public to do about it?

It may be, however, that the position of Mr. Palmer and those who have been urging people to buy immediately are not so irreconcilable as they seem. The propaganda in question was started some time ago, when business was dull, and when the pronounced disinclination of the public to spend its money was increasing the dullness and postponing the return of prosperity. It is no longer so necessary as it was, because the buying movement is now thoroughly under way. Indeed, in some respects it has gained too much impetus; and it is evidently this fact that the attorney-general has in mind.

What he wants to stop is not legitimate buying and selling, the normal processes of business, but the reckless purchase of luxuries and of ordinary commodities in greater quantities than are required.

The campaign he wants is precisely what a great many other thoughtful people want—a campaign against waste and extravagance. It is what every conscientious newspaper in the country has been preaching for many weeks. Its purpose might be expressed in these few words:

Buy now what you need now; but don't buy now what you don't need at all, or what you won't need till next year.

Such a policy will mean money in the pockets of consumers, without doing any injustice to merchants and manufacturers.

## ANTICIPATING THE MOSQUITO.

By feeding the birds in January one provides ammunition against the mosquitoes of June, explains a member of the Animal protective League. It seems that birds feed their young on mosquitoes, thus destroying great numbers of the pests. Little natural food is available for birds in the winter except in the extreme south, and even there less can be found by them at this season than in the summer. So when the table or pantry shelf is cleared of crumbs, if the contents of the crumb tray are scattered out-doors instead of being put in the garbage can, the birds will be thankful, and will show their gratitude by saving the food-giver many a mosquito bite next summer.

Mosquitoes are only one of the many excellent reasons why birds should be fed during the winter. The others are all the other insects which hamper the production of the garden, and all pleasures of song and plumage.

A New Year's resolution for all the people: To let Congress feel so strong a pressure of their will toward right and justice and an honorable adjustment of the affairs of this country as shall force it into action to bring speedy relief from the troubles with which the nation is beset.

Since the Reds deported on the Burford represent every class of those who hoped to destroy established government, why not call their ship the Ark of the Broken Covenant?

## NEW YORK LETTER

By O. O. McINTYRE

NEW YORK, Dec. 26.—A page from the diary of a modern Samuel Pepys: Lay late, the wind being high, and came by post a document that does me high honor and I pray to be kept humble and not too much lifted up, in high spirits with my wife, in her newly made boots, to the book sellers and got Strindberg's "Married," and some volumes of verse.

Then through the avenue to an art gallery to see some new Dutch paintings and one in especial of a worker waiting for the ferry at dusk, the best expressed that I ever saw in my life. To lunch with A. Roche, the scrivener, just home from over sea, and Captain Rupert Hughes came and we ate some fish, newly caught.

A comely woman of good language hailed me for instructions to enter the underground tram and I escorted her with fair grace and found her to be a relative of Mr. Arbuckle, the play actor. Home where a boy brought a paper from a poet who is stranded and has a panegyric to finish, but I gave him only half his demand.

C. Falls, the painter, called and told of B. Tarkington being in town to see his book set to music and too of the high scandal of the clothes in "Aphrodite," which made me want to see it more than ever. I cast up my Christmas expenses today and grew sullen.

To Brown's wine house to dinner with R. Staton, C. Briggs, R. Webster, R. Rohn and W. Johnson and we sang old songs and quipped and quirked until very late, but drank nothing but ale of ginger and black coffee. Then in a flare home and to bed.

The other day a reported passed one of the smartest of the pre-war Broadway cabaret places. He looked through the silver and gold curtains and there at a lone table, the only one occupied in the room, sat one of New York's wealthiest spendthrifts—opening a quart bottle of milk.

The death of two rich men recently revealed the fact that each supported separate establishments—not new to New York but interesting. In one of the most fashionable hotels in New York it is said live no less than forty-four women of this social status. In their home towns, of course, such a life would be impossible, but for the newcomer in Gotham there is no social scaffolding. They mingle in the cafes and hotels with the very best people. No one seems to think anything about it. Respectable people accept it much as they would almost anything they dislike, but are forced to tolerate.

Fourteen deaths resulted from poisoned whiskey in New York last week. The stuff was sold too for \$25 a quart. A standard brand of gin which used to be retailed at 85 cents a quart is now selling along Broadway for \$16 a quart.

The noisiest street in New York is Hudson street away down town—where the strike of hooves against cobble stones resemble the pounding of a heavy sea. It is a street of heavy truck traffic for the piers are nearby and the ferries close. Hard by is Broome street, one of the most fascinating streets of the metropolis. All the houses are alike, two-story brick with the stamp of the old Knickerbocker period on each. There are very few rich on Broome street. Over each door is a little white paper on which is written, if you investigate carefully, in varied scrawls: "Rooms for Rent." Almost any family has a furnished room "suitable for a refined gent" on Broome street.

## AT the Theatres

### "BLIND HUSBANDS" FEATURE AT CERAMIC

The bestial nature of a libertine officer, formerly of the Austrian army, is relentlessly exposed in "Blind Husbands," the Universal photodrama of the Tyrolean Alps, which comes to the Ceramic Theatre for one solid week commencing Monday, December 29.

The principal role is played by Eric Stroheim, former lieutenant of the Austrian army, and in "Blind Husbands" Eric Stroheim portrays the arrogance and supreme conceit that made the Teuton unfit for the communion of humans.

As a lieutenant of the Austrian army the starring villain goes to a fashionable resort in the Alps to prey on woman-kind. There he meets Margaret Armstrong, who is a loved, but badly neglected wife.

Dr. Armstrong makes a discovery, suspects something worse and his soul is scared and tortured when the lieutenant lies to him. The fate of a love-buzzard in the form of a man is the theme of the story.

Stroheim is remembered, even hated, by thousands of persons, for his portrayal of a Hun officer in the big Universal war picture, "The Heart of Humanity."

Supporting him in "Blind Husbands" as Margaret Armstrong, the wife, is Francisca Billington and the following cast of popular Universal players: Sam DeGrasse, H. Gibson-Gowland, Valerie Geron-prez and Jack Perin.

### BERT LYTELL IN BIG FILM AT STRAND

Bert Lytell again gave proof of his versatility in enacting on the screen the character of Tito Lombardi, proprietor of the smart Fifth Avenue shop of "Lombardi, Ltd.," at the Strand Theatre yesterday. The story, adapted from the original stage play by Frederic and Fanny Hatton, goes much further than mere characterization. It is one of the most out-of-the-ordinary romances seen in many a day, and one that has been excellently produced.

The supporting cast is excellent, especially Alice Laite, the star's leading woman; and the direction and settings attest to the care of the supervision of the production by Maxwell Karger, director general of Screen Classics, Inc. Besides Miss Laite in the supporting cast are Juanita Hansen, Vera Lewis, Joseph Kilgour, Thomas Jefferson, Thea Talbot, Jean Acker and Ann May.

We have money to loan on the Community Plan. The Community Bank.

## Convalescents Build Up On Pepto-Mangan

Increases the Supply of Rich Red Blood — Restores Strength and Vigor.

PHYSICIANS RECOMMEND IT.

Sold in Liquid and Tablet Form—The Name "Gude's" the Guide to Genuine Pepto-Mangan.

A serious illness such as Influenza or other infectious disease always leaves the body with low vitality, lack of strength and impoverished blood. Gude's Pepto-Mangan aids convalescents to a quick recovery, for it creates a generous supply of rich, red blood and restores the body to its normal, healthy condition.

That's why physicians recommend Pepto-Mangan, for they know that it imparts to the blood the material so sorely needed by weak, run-down systems. Pale, sallow, thin, easily-exhausted men and women find that Pepto-Mangan builds them up wonderfully. A new supply of rich, red blood is created, which in turn imparts the glow of health to the cheeks, increases the appetite, the eyes sparkle, the entire system takes a new lease on life.

Pepto-Mangan is obtainable in liquid or tablet form, whichever proves most convenient. Both forms possess identical medicinal qualities. There is but one genuine Pepto-Mangan and that is "Gude's." Ask your druggist for "Gude's" and look for the name "Gude's" on the package. If it is not there, it is not Pepto-Mangan.

# GREAT BARGAIN EVENT

## Friday and Saturday

For the benefit of those women and hundreds of others who have waited for the After-Christmas Sales, we wish to announce that the low prices they have been looking for are now in force. The advantage of buying in this sale is, they will get the same big saving they are accustomed to in January and at the same time have their garments to wear during the holidays. We are more interested now in reducing our stocks before inventory than in making profits and there is only one way to do this—that is, by giving such values that no economical woman can afford to pass them by.

## LICKING COUNTY FARMER. AGE 61 FEELS 21 AGAIN

Declares all the Rheumatism has left  
his Ankles, and Soreness gone from  
his Muscles.

Dreco got his stomach in fine condi-  
tion by relieving gastritis and indi-  
gestion.

"I kept reading what my neighbors  
said about Dreco, and some of their  
cases fit mine exactly, so I decided to  
try it also," says Mr. C. A. Harrison,  
a prosperous farmer, near Newway,  
Licking Co., O.

"I had tried many remedies for rheu-  
matism, but none seemed to do me any  
good, for mine was a pretty bad case.  
While I had pains all over my body, my  
ankles bothered me worse. They would  
swell up and cause intense suffering.  
My stomach got in bad shape from  
taking so much strong medicine for  
the rheumatism, and if I'd eat a good  
meal, I'd pay for it later with pains,  
gastritis, nausea and puffed up feel-  
ing."

"One day while in Columbus, I got  
some Dreco, and I want to say that  
all the rheumatism is gone. My ankles  
are entirely free from pain, the stiff-  
ness has left my joints, and my mus-  
cles are no longer hard and drawn. I  
am 61 years old, but feel like a young-  
ster again, thank to the grand medi-  
cine, Dreco."

If you have been fighting stomach  
troubles, dyspepsia, indigestion, head-  
aches, backache, nervousness, sleep-  
lessness, constipation, liver and kidney  
trouble, catarrh, or that dreadful  
scurvy, rheumatism, you should try  
the new preparation, Dreco, and you  
are then on the road to recovery. The  
action of this remedy is just as cer-  
tain on the human system as that the  
morning follows the night. That this  
is proven conclusively, it is only nec-  
essary to listen to the statements of  
the steady stream of grateful people  
who daily make their statements to  
the Dreco man.

All good druggists now sell Dreco,  
and it is highly recommended in East  
Liverpool by Pluck's Drug Store, Fifth  
Market streets

## DAILY RECIPE

## How to Use Cold Turkey or Chicken.

½ cup stale bread crumbs; ¼ lb.  
cooked turkey or chicken; ½ cup chop-  
ped cooked ham; 1 teaspoon choop-  
onion; 1 teaspoon chopped parsley; 2  
eggs; ½ cup stock or water; salt and  
pepper to taste; few browned bread  
crumbs; little dripping; tomato or  
brown sauce.

Grease plain mold or pudding basin,  
sprinkle inside over with browned  
bread crumbs, turning out all that will  
not stick. Fry onion in little dripping  
then add to chopped turkey, with ham,  
parsley, bread crumbs, seasonings, water  
and eggs well beaten. Pour into  
prepared mold, cover top with greased  
paper and bake in moderate oven three  
quarters of an hour. Turn out on hot  
dish and pour round tomato or brown  
sauce.

MISS HOWARD WINNER  
IN BEAUTY CONTEST

Miss Bernice Howard of Harrison street is the prettiest girl in Newell according to the results of the "beauty contest" which was staged here in connection with the old fashioned country fair and bazaar given under the auspices of Clark lodge No. 447, I. O. O. F.

Miss Howard polled 8,000 votes in the contest, while her nearest competitor secured but 6,000. By winning the "beauty contest" Miss Howard was also the winner of a \$10 box of chocolates, offered by the lodge.

The 20-pound turkey in the jar of corn guessing contest was won by Harry Pollock of East Liverpool, an employe of the Homer Laughlin pottery. Mr. Pollock guessed the nearest number of kernels in the jar of corn, the number being 2,922.

There was a big crowd in attendance at the fair and bazaar, Wednesday evening, the closing night.

"JUST AN IDLE DREAM"

## Sunbeam Mission Band Meeting.

The regular monthly meeting of the Sunbeam Mission Band of the First Presbyterian church will be held in the Sunday school room at 2:30 o'clock Saturday afternoon. This is the Christmas meeting of the band and a program in keeping with the event will be carried out.

Eloise Moore will be leader of this meeting. Mrs. G. K. Stewart will preside.

CLUB WOMEN DIRECT  
FARMER'S WEEK MEET

The 20,000 men and women who belong to the club which are enrolled in the West Virginia Federation of Farm Bureaus will be in direct charge of most of the sessions during Farmers' week, which will be held at the University at Morgantown, the week of January 5 to 9. Not less than a thousand men and women are expected to be at Morgantown to attend these sessions which promise to be of much interest.

The first day will be given over to registration and locating rooms, but the second afternoon will be devoted to a review of the year's work in West Virginia agriculture. The speakers include E. A. Miller for the U. S. department of agriculture, Nat. T. Frame for the Extension Division, Mrs. A. W. Rhodes of the Farm Women's Clubs, and Stephen Morton for the Boys and Girls' clubs. On Wednesday afternoon, Dean John Lee Coulter will discuss the plans for the

Agricultural College and Station for the year 1920 and each county will present its co-operative extension plan of work for 1920. The Thursday afternoon program will be featured by an address of S. L. Strivings, vice president of the American Farm Bureau Federation and president of the New York State Farm Bureau Federation on "The American Federation of Farm Bureaus." This will be followed by a business session of the farm bureau members. Dr. Bradford Knapp, director of agricultural extension in the south, will speak on Friday afternoon and the closing session will be held.

LARGE CROWD ATTENDS  
XMAS ENTERTAINMENT

There was a large crowd out at the annual Christmas entertainment given by members of the Sunday school of the First Methodist Episcopal church Wednesday evening. A cantata, entitled "A Joke on Santa Claus," was presented with a cast of about 12 persons, mostly children. The affair proved to be highly successful.

The entertainment at the First Presbyterian church will be held Friday evening. Here also a cantata will be presented, the subject being "Mother Goose in Gooseville." Fourteen children will take part in the playlet. A treat will be given each member of the Sunday school.

The Community Bank has money to loan.

NEWSPAPER EDITOR  
KILLED BY POLITICIAN

GALLATIN, Mo., Dec. 26.—As a result, it is believed, of an enmity between the two men, starting last summer when "The Democrat" is alleged to have published a statement to the effect that Tarwater was seen on the streets of Gallatin in an intoxicated condition, Wesley Robertson, editor of the Gallatin Democrat and prominent in Davies county politics, was shot and fatally wounded in the office of his newspaper late yesterday afternoon, by J. Tarwater, city light commissioner. Robertson died at his home three hours after the shooting.

LICENSE UNTIL FEB. 1

COLUMBUS, Dec. 26.—That traffic officers, sheriffs, constables and other like authorities throughout the state allow automobile owners to operate their cars until February 1, 1920, under the official 1919 state license plates is the request made by Secretary of State Smith.

The issuance of the 1920 plates is held up because of the new auto tax law, now before the governor. If it becomes effective, either by Governor Cox's signature or by the ten days' period ending December 29, it is expected that the counsel for the Automobile Association of Ohio will attack the constitutionality of the law in the courts by asking for a restraining order.

## ENOCH RILEY HOME LOOTED

**While Family Attended Church Entertainment, Thieves Carried Off Silverware and Other Valuables.**

While members of the family were attending a church entertainment in East Liverpool, Thursday evening, sneak thieves looted the home of Enoch Riley, Florida avenue, stealing silverware and other valuables estimated to be worth close to \$100.

The robbery occurred between the hours of 6 and 10:45 p. m. Mr. and Mrs. Riley left home early in the evening and when they returned home shortly before 11 o'clock, the house was found in topsy-turvy shape.

The perpetrators gained an entrance by smashing the upper pane of a rear window, enabling them to turn the window latch. Examination had been made in every drawer of the down stairs furnishings, evidently before the thieves entered the up stairs.

Forcing open a locked drawer in the dresser of Mr. and Mrs. Riley's bedroom, the thieves secured a quantity

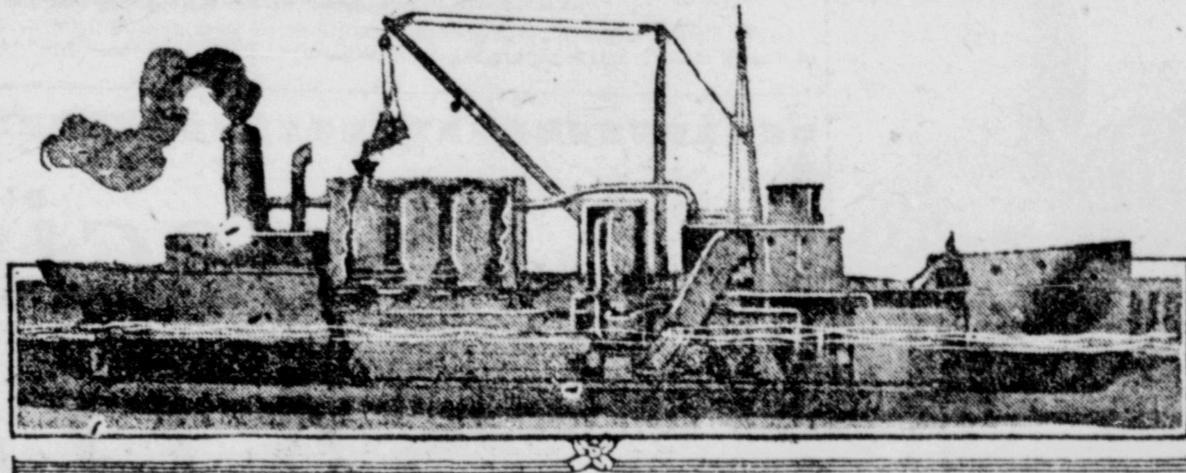

of silverware, a revolver, a flashlight, a gold ring and one or two other articles of jewelry. A gold watch in the same drawer and a valuable stick pin, in a pin cushion on top of the dresser were overlooked by the thieves. While ransacking the bedroom, the thieves pulled the shade on the window which faces an adjoining house, but neglected to shade the window which faces the alley.

In leaving the house the robbers opened the rear door leading onto the back porch, but abandoned this plan of exit when the storm door stuck, evidently thinking that door too had been locked. They left the house through the open window. So far as could be learned the perpetrators had not lighted any of the lights in the house, evidently working with a flashlight.

The booty included a complete set of 1847 Rogers silver ware, valued at \$50, and two other sets of tea spoons. The robbers were tracked to the alley in the rear of the house, where a path was worn.

Mr. Riley believes the thief was committed by recent tenant. The foot prints which gave proof that two men were on the job, showed that both wore a small shoe, leading to the belief that the perpetrators were probably boys.

## NEW YORK TO TRY FLOATING REDUCTION PLANTS

New York city officials, after wrestling two years with the problem of supplying reduction facilities to take care of the garbage of the metropolis, have decided to experiment with floating reduction plants. Charles G. Armstrong, an engineer, has been authorized to design ships suitable for the work. It is claimed that machinery planned will reduce the garbage without odor.

## XMAS ENTERTAINMENT AT ASBURY CHAPEL

The annual Christmas entertainment of the Sunday school of the Asbury chapel, back of Chester, was held at the church at 8 o'clock Wednesday evening. A large crowd was in attendance.

An interesting program of musical and literary numbers, featured by a sketch, entitled "The Birds' Christmas Carol," was rendered. A large Christmas tree, handsomely decorated, formed part of the decorations which were in keeping with the Christmas season. Each child was presented with a sack of candy by Santa Claus.

# ASKED TO NAME DELEGATE TO AVIATION SHOW

Mayor Wilson Receives Invitation to Attend Chicago Convention.

ILL BE HELD JAN. 8-15

Mississippi Valley Aviation Club Plans Aeronautical Meeting.

Mayor J. S. Wilson Friday received invitation from the Mississippi Valley Aviation Clubs' association to point a delegate from East Liverpool to attend a convention to be held Chicago during the aeronautical show, Jan. 8-15.

The purpose of the convention, the Mayor Wilson states, will be to make the Mississippi valley the center for the development of aviation in America. Co-operation of more than 200 cities along the Mississippi valley is sought by the new organization and all will be urged to send representatives to the convention.

A committee in charge of the convention is arranging a very interesting and instructive program consisting of subjects which are vital to the nation's welfare and the speaker who will present these subjects is of prominence in the aviation world. Arrangements will be made for hotel accommodation for visiting delegates and the voting power has been arranged so that the representatives from each town and city will have one vote every 10,000 population fraction thereof.

## SATIN TURBAN TRIMMED WITH VULTURE IS STUNNING MODE FOR RESTAURANT WEAR

The large picture hat may be beautiful and effective as a frame for the face, but there never will be anything more chic and dashing than the small turban. There is something piquant and fetching about a full round face as revealed by the snug-fitting draped turban. This model is particularly good and it is suitable for almost any occasion, but was originally designed for restaurant wear. It is made of draped satin with natural colored vulture spreading out on both sides like wings.

## WOMEN'S DEMOCRATIC CLUB MEET CALLED

NEW YORK, Dec. 26.—A meeting of the Women's Democratic club was

called for this afternoon at the Commodore hotel to take steps for the formation of a women's national Democratic party. Two of the women reported to be behind the project are relatives of President Wilson — Mrs. William Gibbs McAdoo, the presi-

dent's daughter, and Miss Margaret Vale, the president's niece. It was explained that, while the new national organization would be independent of the regular Democratic party, no split in the Democratic ranks was intended. The leaders of the movement

plan to organize Democratic women in every state of the union.

School children of Colorado successfully overruled the legislature of Colorado in naming a state flower, choosing the blue and white columbine.

## POLICE SCOUR OHIO FOR FOUR JAIL BREAKERS

Desperate Criminals Escaped From Toledo Jail On Christmas Day.

### DEPUTY SHERIFF SHOT

Two Other Deputies Locked in Cell; Sheriff Is Thrown Into Dungeon.

TOLEDO, Dec. 26. — Four men, all said by the police to be desperate and notorious criminals, who were liberated from the Lucas county jail in a Christmas jail delivery, are still at large.

Leo Noonan, deputy sheriff, shot by one of the six men who engineered the delivery, is in a serious condition. Deputy Sheriffs Basso and Kelly were locked in cells by the six jail raiders and Sheriff John Mathias, attracted by the shot which wounded Noonan, was thrown into the jail dungeon when he made his appearance at the jail clad in a bath robe.

Mathias owes his life to the intervention of one of the liberated prisoners, a member of the gang of jail raiders insisting on "rooking him off."

The four men liberated are D. E. West, alias Edward Meehan; Albert Leach, Leo Mitchell and Frank Howard. All have long criminal records, the police say, and from three to a dozen aliases. West was under conviction for manslaughter. Leach was charged with robbery, Mitchell was charged with carrying concealed weapons and Howard with shooting with intent to kill.

The jail delivery, one of the most daring ever pulled off, was staged with a simplicity and ease that startled officials.

One of the band of six came to the jail office door and after wishing three deputies in the office "Merry Christmas," asked to be admitted. When the door was opened the deputies found themselves looking into the muzzle of a revolver. Noonan attempted to pull his gun and was shot through the breast. The shot was the signal for the appearance of five more men who quickly threw the two unwounded deputies into cells. They then proceeded on a systematic search of the jail to secure the four men they wanted to set free. When Sheriff Mathias appeared he was quickly overpowered by two look-outs.

## SEEK WOMAN IN MURDER CASE

PASSAIC, N. J., Dec. 26. — Detectives investigating the murder of Mrs. Morris Goldstein in her husband's furnishing store early Christmas spread a dragnet today for a young woman, who they believe is a member of a holdup gang and possibly its leader.

The clue that a woman may have been involved in the murder and attempted robbery was revealed by letters found in an abandoned automobile in which the robbers escaped. This led the police to believe that the woman waited in the car as "lookout," while three holdup men entered the store. Investigation revealed that the young woman in question had formerly lived in Jersey City but had gone to Philadelphia. The police are withholding her name.

Mrs. Goldstein was shot to death when she disobeyed a command to throw up her hands. Instead of complying she started screaming.

Japan, including Formosa, produces the most tea, China ranking second.

"Avoid crowds if you want to avoid influenza," says Association for Improving the Conditions of New York.

Keep your hands clean, drink plenty of fresh water; sleep with windows open; eat three uniform meals a day including a good breakfast.

People who have catarrh or frequent colds invite influenza, declares a prominent Kentucky druggist.

The membrane of the throat and nose is raw, sore and tender, and makes a lovely abiding place for germs to thrive and multiply. He advises an inexpensive home-made remedy that will bring relief in less than a day and will stop all discharge and soothe and heal the inflamed membrane in a few days.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Pour three-quarters of an ounce of Mentholized Arcline into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and sniff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat clean and healthy.

Nearly all druggists dispense Mentholized Arcline in vials containing exactly three-quarters of an ounce, which is all you need to make a pint of this healthful medicine.

## SEEK FUND FOR WAR SUFFERERS

COLUMBUS, Dec. 26. — During a campaign of eight days, under the direction of the American Jewish Relief committee, which starts today, Ohio will try to raise its quota of \$2,250,000 for the relief of starving Jews in Eastern Europe. A fund of \$35,000,000 is the goal for the whole country.

Municipal officers of the state are asked by Governor Cox to assist as much as possible in the drive. The governor has named the eight days of the campaign as Jewish relief week.

The counties, which will contribute their quota from their community chests are: Cuyahoga, Hamilton, Miami, Van Wert, Highland, Meigs, Athens, Fairfield, Richland, Wayne, Lake, Pickaway, Clinton, Butler, Stark and Trumbull. The remaining counties of the state are prepared for house-to-house soliciting.

## A Wide Margin of Safety

A MAN about to hire a chauffeur asked each applicant how near he could drive to the edge of a precipice.

One said a foot, another said six inches, a third said two inches. But the fourth said, "I keep just as far away from a precipice as I can." He was hired.

The wise property owner, like the careful chauffeur, prefers a wide margin of safety. He insures his possessions to the limit and then takes every precaution against fire.

Insurance only reduces your fire loss. That is why the Fire Prevention Service of the Hartford Fire Insurance Company is as necessary as insurance. Let us explain this service. It is free to all Hartford policy holders.

NURSING MOTHER GREATLY HELPED BY NERV-WORTH

Her Sickly Baby Also Wonderfully Benefited by the Medicine.

Nursing mothers should read with great care the following statement. So also should the parents of sickly children, for Nerv-Worth is wonderfully beneficial when given to the little ones:

"I was in such miserable condition that I could not sleep. Got up in the morning feeling tired and not rested. Was all run down, weak and pains in my back. Was nursing my baby and did not feel strong enough for the task. Was uneasy as to whether I could supply enough nourishment for it. After using one bottle of Nerv-Worth I found I was gaining strength, was sleeping and resting well, eating and enjoying my food and no trouble with digestion. My baby is strong and healthy and I notice a great improvement in its bowels which are now regular and healthy. I consider Nerv-Worth one of the greatest remedies I have ever used and especially for women in my condition. I cheerfully recommend it. I am now taking my second bottle and will keep Nerv-Worth in my home."

## MANY BIDS FOR HERRMAN'S JOB

Appointment of Chairman for  
National Commission Impor-  
tant Question Facing Major  
Leagues.

NEW YORK, Dec. 26.—One of the  
most important questions—if not the  
most important—that the major  
leagues have faced since the Federal  
League war, is the appointment of a  
new chairman for the National Com-  
mission.

Garry Herrman, in accordance with  
the wishes of the club owners of his  
own league, is ready and willing to  
step down and out after long years of  
service. He is going to vacate the  
chairmanship regardless of whether  
or not the major leagues agree on a  
man to succeed him, and his last of-  
ficial acts as head of baseball's tri-  
umvirate will probably be performed  
when the commission holds its annual  
meeting in Cincinnati in January.

Because of internal strife in the  
American League the consideration  
of a new chairman has been held up.  
The American league war in itself  
is a vital question for the club own-  
ers of both leagues, but it will be  
settled in due time, and the jubilee  
major will continue, regardless of  
whether the battle is fought in or out  
of the courts.

Meanwhile the baseball fans of the  
country are pondering over the ques-  
tion of a new National Commission  
chairman, not so much because they  
are keenly interested, but because the  
topic is one of the ripest of the off-  
season.

Many capable men have been men-  
tioned for the position. At one time  
the moguls could have had William  
Howard Taft's ear on the question,  
but they bootied the chance by per-  
mitting Mr. Taft's name to be men-  
tioned too soon. Another very promi-  
nent man mentioned for the place,  
who, it is whispered may still be  
available, is Judge K. M. Landis, of  
Chicago, for years an ardent follower  
and student of baseball despite his  
judiciary duties.

John B. Foster, erstwhile secretary  
of the New York Giants, is the latest  
candidate to get into the race. Fos-  
ter's name was immediately men-  
tioned by New York friends when it  
was learned that he had come to the  
parting of the ways with the new  
owners of the New York club and he  
at once admitted that he was in a  
receptive mood for an offer from the  
major leagues.

John Foster is capable, energetic,  
level-headed and knows baseball in-  
side out. He is a business man, too,  
as his handling of the affairs of the  
Giants for seven years proved.

Judge Landis, Mr. Taft and sev-  
eral others, among the William  
("Big Bill") Edwards, Collector of  
Internal Revenue for the New York  
District, would, no doubt, be highly  
acceptable men for the place to be  
vacated by the veteran Herrmann.  
John A. Farrell, for years the sec-  
retary of the National Board of Arbi-  
tration and the National Association  
of Professional Baseball Clubs, is  
still another candidate, or, at least,  
has been mentioned numerous times.

## PITTSBURGERS DEFEATED BY LOCAL ELEVEN

By the score of 6 to 2, the East  
Liverpool soccer team defeated the  
East Pittsburgh eleven here Christmas  
afternoon, at West End park. The  
game was witnessed by a fair-sized  
crowd.

Both teams found playing hard on  
the rough, snow-covered ground. The  
first half was exciting and was  
severely contested by both sides. The  
initial score was made after the first  
eight minutes of play when Joyce  
scored for the Pittsburghers. Aldridge  
then worked the ball close to the  
Pittsburg goal, but was unable to  
score. Plant then took the play  
from Aldridge and came within an  
ace of landing. George broke away  
and scored another for Pittsburgh.  
Aldridge then scored shortly after-  
wards for the locals. Two minutes  
later Plant worked the ball into the  
Pitt goal through clever tactics. The  
first half ended with the score tied,  
2-2.

East Liverpool carried the play the  
most of the time of the second period  
into the Pittsburgh territory. Aldridge  
scored first in this period after an in-  
dividual effort. Plant scored the  
fourth goal for the locals. After a

Miss Alexia Sterling.

Miss Alexia Sterling, national wom-  
en's golf champion, stands out as  
one of the athletic stars of the time.  
This young woman, scarcely more  
than a girl, has shown such marked  
superiority that she seems destined  
to retain the title for some time.

Miss Sterling first startled the golf  
world by her remarkable play at Nas-  
sau in 1914. Two years later, at  
Waverly, Mass., she won the national  
championship. As every one knows,  
the war halted golf championship  
activities. This year, with the revival  
of pre-war play, Miss Sterling soon  
showed that her 1916 victory was not  
a lucky affair. On May 31 she won  
the southern women's championship  
at Memphis by defeating Mrs. David  
Gaut 3 up and 2 to play. Her play  
all season was brilliant. Then in the  
national meet at Shawnee October 4  
she simply "walked away" with the  
crown. She beat Mrs. W. A. Gavin  
6 and 5 in the final after winning her  
matches against Mrs. Caleb F. Fox,  
Miss Marion Hilling, Mrs. G. Henry  
Stetson and Mrs. C. H. Vanderbeck.

Mrs. Vanderbeck gave Miss Sterling  
her only real opposition, the cham-  
pion winning 1 up.

Miss Sterling, an Atlanta girl, is  
planning a trip to England in the  
spring to play Miss Cecil Leitch and  
other British stars.

enson made the final tally. Plant,  
Harp, Aldridge and Foster were the  
stars for the local eleven, while Cox,  
George and Joyce were the best per-  
formers for the visitors.

## COLLEGE FIVE BEATEN BY "Y"

Collegians Beaten In First  
Period When They Allowed  
"Y" Quintet to Stack Up  
Lead.

Proving again that the Watkins  
brand, manufactured-to-order kind of  
team work is far superior to pick-up  
formation, the "Y" team Christmas  
night at the Y. M. C. A. defeated the  
East Liverpool Collegians, composed of  
college athletes, 29-24.

The first half witnessed the down-  
fall of the Collegians. Had the college  
lads been able to hold the "Y" men for  
the first 20 minutes they might have  
been a different story to tell. In the  
opening period, though, training and  
cohesive performance netted for the Y.  
M. C. A. quintet 21 points, while the  
Collegians were making six. The lat-  
ter five was unable for some reason, to  
find the basket, due probably, to the  
fact that the "Y," unwilling to suffer  
downfall on this day of days played  
the feet off their opponents the whole  
period. "Dunk" Smith scored the lone  
field goal, while Nate Allen registered

four fouls.  
The tale varies in the second period.  
The Collegians defeated the "Y" five  
in this half by a single point. The  
college lads scored 19 points, while the  
home tossers were getting 1.

Allan and Kidder were the best scor-  
ers for the losing team. Allen demon-  
strated that his old skill and cunning,  
so ably shown on high school floors in  
this district in years gone by, was still  
his. Johnny Greene did not surprise  
fans by making the most points for his  
side. Cannon also showed to advan-  
tage. Summary:

## LAST NIGHT'S FIGHTS

At Philadelphia—Joe Benjamin, of  
California, and Ole Welling, of Chi-  
cago, fought a six-round draw.  
Johnny Murray, New York, shaded  
Joe Fox, English featherweight, in six  
rounds.

At Trenton—Porky Flynn was  
knocked out in the third round by Al  
Reich, of New York.

At Jersey City—Benny Valger out-  
pointed George Brown in eight rounds.  
At Pittsburg—Eddie McAndrews,  
Philadelphia, outpointed Charley Dunn,  
Ambridge, Pa., in 10 rounds.

Columbus—The legislative finance  
committee will be requested by Sec-  
retary of Agriculture Shaw to ap-  
prove the recommendation of the  
state emergency board that the \$40,-  
000 profit resulting from the state fair  
last fall be expended in improve-  
ments for next year's state fair. If  
this is done, the total appropriation  
for the state fair next fall will be  
\$150,000.

## TAD'S TID-BITS

(Written for International News Service.)

NEW YORK, Dec. 20.

Dear George—That was a swell crusher you put over on the beefy Beckett  
the other night. Why, the bally blighter was a SPREAD, wasn't he? George,  
you're a nice boy. We all like you because you were one of the FEW  
BOXERS who fought AT THE FRONT against the Hun. We all like you  
because no matter how big or how well advertised they come in London,  
you make them all kiss the canvass.

You remember Gunboat Smith, don't you? Remember what a tough fight  
he gave you? Well, there's a guy over here who knocked the "Gooner"  
tongue-tied in a few punches. This same fellow discovered that a lot of our  
heavies only LOOKED tough. He licked them all in a punch or two.

He's from Denver or out that way and he's young. We like him, too.  
As the Miller used to say, he'd fight a lion and give the lion the first two bites.  
Where he comes from it's SO TOUGH that the mice chase the cats around the  
block at night.

His front name is JACK and his hind monicker is DEMPSEY.  
For the love of Mike, sprain your ankle or catch a cold or SOMETHING  
so that you won't have to come over and call this bloke names.  
Stay over there, George, and wait until the bloom' Britons get another  
chump. You've licked two of them now—Wells and Beckett.

They're a dime a dozen for you.  
Listen, it's an awful long ride over there. You'll see nothing but water.  
If you do come and meet this Jack Guy, it'll be a LONGER ride home and you  
WON'T SEE A THING. The leeches won't be off your glims by that time.  
Be a nice guy, now. Yours,

AMERICAN FAN.

## Few Large Scores Were Run up by College Teams This Year

NEW YORK, Dec. 22.—The quality of defense of most of the big eleven of the East during the football season just ended was worthy of much praise. In only one or two instances did the defense fall below the standard of the attack. In a majority of cases the strength of the defense proved the redeeming feature to the team's playing. No team was so weak on the defense that an opponent could gain at will. Very few large scores were tallied.

To the Navy fell the honor of running up the largest score. Gil Dobie's Annapolis lads vanquished Colby, considered in former seasons a strong eleven, by the one-sided score of 122 to 0. This was the only instance where the defense was so poor that it crumbled.

The strength of the defense speaks volumes for the grade of coaching that the candidates for the rush line and extremity positions received. Most of the football authorities contended that a team's defense is just as strong as its rushline is aggressive. If such is the case then the finest rushlines of recent years were developed during the last season.

In developing a rushline it is absolutely necessary to have a squad of fighters. A back who is not aggressive may get away with his game. However, no player on the first line of defense can lack aggressiveness and not become the mark of the opponents.

It takes plenty of fight to make a lineman's work stand out. In most cases he is buried in the heap, whereas the work of the halfback sticks out. This fact alone is sufficient to make the ordinary lineman let up in his work when he begins to tire under the strain of battle.

The Navy forwards compiled the best record for the season by the fine stonewall defense that they put up against their army rivals at the Polo Grounds recently. It has been years since either of the service school teams mustered enough strength to shut out an opponent without a single first down. In fact, it is beyond our recollection when any big eleven displayed such magnificent defense against supposedly good offensive strength. Because of their aggressiveness and fine game against such odds the Navy linemen must be reckoned as one of the best all-round com-

binations developed during the season. So far as an offensive line is concerned Yale looked to have a little on her opponents. The New Haven rush-line players showed a remarkably fine quality of offensive football. In the third period of the Princeton game they outplayed their Tiger rivals. Had there been better co-operation between the linemen and backfield the Elis would have had a much stronger gridiron machine. As it was, the line opened up holes and took out their men without backfield players making the most of the opportunities. On the defense the Bulldog forwards stood up to their work like a well-coached outfit.

Pittsburg, Lehigh, Lafayette, Colgate, West Virginia, Rutgers, Wesleyan, Williams, Stevens, Bucknell, Georgetown, Holy Cross, Villa Nova, Boston College, Washington and Jefferson, Swarthmore, Brown and New Hampshire all showed brilliant defense.

Columbia came through in its final game against Brown to flash the sort of defensive strength that Blue and White followers feel will win back for the Morningside Heights seat of learning a place among the gridiron leaders of the East next season.

## SCRATCHED TEN YEARS HEALED IN ONE WEEK

Finally Cured by Using One Dollar Bottle of Amolox.

One bottle of Amolox cured me. For ten years I suffered with eczema of the scalp, my head being covered with scales and scabs. I tried everything recommended and everything advertised without relief until I bought a bottle of Amolox. It relieved the itching at once and one bottle entirely cured my eczema. I heartily and cheerfully recommend it to all sufferers of this horrible disease.

## INDIANS GIVEN FIRST DEFEAT IN "Y" LEAGUE

Harry Davies' Pirates continue on as the undefeated leaders of the Y. M. C. A. league, earning the place by winning from Furnival's hitherto undefeated Indians in the preliminary game to the main attraction at the Y. M. C. A. Thursday night. The score was 18-11.

The game was one of the most interesting staged in the senior league so far. The Pirates won primarily through the spectacular performance of captain, Harry Davies, who made fourteen of his team's counts. Buxton and Furnival starred for the losers.

The next game in the senior league will be played this evening at the Y. M. C. A., and will feature Shel Pyle's Giants, and the Indians.

## LONDON MAY BE SCENE OF BOUT

By JACK VEIOCK.

NEW YORK, Dec. 25.—London loomed up strongly today as the probable scene of the proposed world's championship battle between Jack Dempsey and Georges Carpentier.

Chas. B. Cochrane, English promoter and theatrical magnate, is here to talk business with Dempsey, having arrived Christmas day on the Mauretania. He reports that he has Carpentier's signature to an agreement to fight for him at any time or any place during the next year and a half.

Cochrane wants to stage the bout in London. He points out that British soil, first of all, is neutral and that he can stage the big event there without interference. He denied that Carpentier had signed with him to fight in London only, saying that he could take the bout elsewhere.

Cochrane has already offered \$300,000 for the match and he declined today to say whether or not he would be willing to go higher to secure Dempsey's services. The sum offered by the

## SAFECRACKING POPULAR PASTIME IN AKRON

AKRON, Dec. 26.—Three times within a week, burglars broke into safes here.

The latest safe cracking job involved the one belonging to the Lakeside Cigar store. The robbers rolled the safe into a truck, hauled it 200 yards to the Erie railroad tracks, opened it, and stole \$325 in money, a \$50 Liberty bond, insurance papers and several account books.

Not an arrest resulted from police investigation dealing with any of these safe cracking jobs.

Piqua—A mysterious attempt to burn the Savoy hotel here is being investigated by the police. An overcoat soaked in coal oil was found burning beside the front door. The heat from the flames cracked the glass in the door. A couple of employees, awakened by the smell of smoke and blaze, put the fire out.
